QUESTIONS FOR WRITTEN REPLY

FRIDAY, 25 NOVEMBER 2019

597. Mr N Bhanga to ask the Premier:

- (1) What is the current status of the implementation of the broadband in the province;
- (2) how much of the approved budget has his Office spent to date;
- (3) what are the revised time-frames for the project?

598. Mr N Bhanga to ask the Premier:

- (1) How many bursaries has the provincial government given for the (i) 2017/18, (ii) 2018/19 and (iii) 2019/20 financial years as at the latest specified date for which information is available;
- (2) what field of studies were the abovementioned bursaries for;
- (3) whether he can kindly indicate the (a) demographics, (b) age and (c) gender of the recipients of the bursaries;
- (4) how much has his Office (a) budgeted and (b) spent to date for the allocation of bursaries for the aforementioned financial years as at the latest specified date for which information is available;

- (5) what effective mechanisms does the provincial government use with a view to aid recipients for job placements upon completion of studies?

599. Mr N Bhanga to ask the Premier:

Noting that during the State of the Province Address (SOPA) at the start of the Sixth Administration, the Premier indicated several projects, plans and resolutions to be concluded within the first 100 days of office:

- (1) Of the promises made specific to his Office, can he kindly list how many have been achieved;
- (2) of those that have not been achieved, (a) why have they not been achieved and (b) what are the reasons in each case;
- (3) what action has his Office taken against officials who failed to implement these promise(s)/plan(s) and/or resolution(s) against the pronouncements made at SOPA;
- (4) what impact has the failure to implement these promise(s)/plan(s) and/or resolution(s) listed in (2) above had on the people of the province;
- (5) by when his Office anticipates the outstanding promises/plan(s) and/or resolution(s) will be implemented?

600. Ms V Knoetze to ask the MEC responsible for Cooperative Governance and Traditional Affairs:

Regarding the bucket eradication programme reportedly set out by the Nelson Mandela Bay Metropolitan Municipality (NMBMM) to remove the 30 000 bucket toilets in 2015:

- (1) How many bucket toilets has his Department removed between the (i) 2017/18 and (ii) 2018/19 financial years as at the latest specified date for which information is available;
- (2) how much has the aforementioned municipality budgeted for the (a) financial years specified above and (b) current financial year as at the latest specified date for which information is available;
- (3) how many bucket toilets has his Department removed in the current financial year as at the latest specified date for which information is available;

- (4) what is the current number of bucket toilets in the municipality;
- (5) what are the challenges faced by the abovementioned municipality in removing the remaining bucket toilets;
- (6) what plan of action and time-frame has his Department set with a view to eradicating the remaining bucket-toilets?

601. Mr S Magaqa to ask the MEC responsible for Cooperative Governance and Traditional Affairs:

Noting that it is alleged that the Buffalo City Metropolitan Municipality (BCMM) has appointed a selection committee to award tenders outside the Bid Adjudicating and Evaluation committees:

- (1) Whether he has been informed that the aforementioned municipality has a selection committee that awards tenders outside the legislated Bid Adjudicating and selection committees; if not, what is the position in this regard; if so, why;
- (2) what is the legislated framework for a selection committee to be appointed in the awarding of tenders;
- (3) how many tenders has this committee awarded since its appointment;
- (4) what is the total value of the contracts awarded by this selection committee;
- (5) what are the names of the contractors that this selection committee awarded contracts to;
- (6) (a) who are the members of this selection committee, (b) what are its terms of reference and (c) for how long is said committee appointed for;
- (7) whether there has been any concurrence by the Treasury for such appointment outside the legislated bodies which adjudicate tenders; if not, why?

602. Mr Y Cassim to ask the MEC responsible for Economic Development, Environmental Affairs and Tourism:

- (1) Whether he has been informed of any trees that have been planted in an attempt to lessen the effects of global warming in the province; if so, how many trees have been planted in the province in the (i) 2014/15, (ii) 2015/16,

- (iii) 2016/17, (iv) 2017/18 and (v) 2018/19 financial years as at the latest specified date for which information is available;
- (2) in which districts and specific regions were these trees planted;
 - (3) whether these initiatives were paid for or partially sponsored by his Department; if so, what was the total cost per project;
 - (4) whether his Department is planning on planting any more trees in the near future; if so, can he kindly provide the relevant details in this regard;
 - (5) what are the reasons for planting trees?

603. Mr Y Cassim to ask the MEC responsible for Education:

- (1) How (a) has his Department paid to the implementing agents with regard to an administration management fee for school infrastructure projects in the province and (b) is the fee determined;
- (2) how much has his Department paid in administration management fees to implementing agents in the (i) 2014/15, (ii) 2015/16, (iii) 2016/17, (iv) 2017/18 and (v) 2018/19 financial years as at the latest specified date for which information is available;
- (3) if the project is abandoned for any reason, whether it is required by the implementing agent to repay the administration management fees; if so, how much is still owed to his Department with regard to the repayment of the administration management fees for the aforementioned financial years as at the latest specified date for which information is available?

604. Ms J Cowley to ask the MEC responsible for Health:

Noting that at St Barnabas Hospital, a 69 bed Mental Health Unit was allegedly scheduled to open in September of this year but is as yet still not open, further noting that patients with problem pregnancies are reportedly not adequately catered for and lastly noting that the hospital pharmacy is alleged to be currently using a refrigerator that regularly breaks down and the air conditioning unit which is required to keep medication at a consistently cool temperature is faulty:

- (1) What are the reasons for the alleged delay in the opening of the Mental Health Unit at the aforementioned hospital;

- (2) when her Department anticipates this unit will be ready to accommodate mental health patients;
- (3) whether her Department has put any plans in place with a view to either build a unit or supply a prefabricated structure to accommodate between 6 and 8 patients with problem pregnancies, in order to mitigate against these patients having to travel long distances from feeder clinics if in need of urgent medical assistance, as this would guard against potential legal claims against her Department; if not, why;
- (4) what steps her Department anticipates it will take with a view to ensuring that the faulty refrigerator and air conditioning in the pharmacy are replaced in order to maintain the integrity and viability of the medication in stock?

605. Ms J Cowley to ask the MEC responsible for Health:

Noting that at the Isilimela Gateway Clinic, a desperate shortage of staff and working space allegedly continue to hamper the output of the clinic, further noting that of the two professional nurses provided to the clinic, one is persal-restricted and thus unable to work until this matter is resolved, and the other is about to go on maternity leave from December and lastly noting that the clinic reportedly has only one female general worker who is not able to lift heavy items and offload trucks and vehicles:

- (1) How far are the plans of her Department to supply the clinic with two more park homes which would provide for much needed space in order for nurses to consult patients in privacy, as the hall structure at the hospital is completely unsuitable for the functions of a clinic;
- (2) when her Department anticipates these two park homes will be installed;
- (3) what immediate steps her Department envisages it will take with a view to replacing the persal-restricted professional nurse with a nurse that is able to fulfil his/her duties, so that the clinic is no longer hamstrung by administrative processes relating to this nurse and which have nothing to do with them;
- (4) what steps her Department anticipates it will take with a view to providing the clinic with a temporary professional nurse to assume duty while the second professional nurse is on maternity leave, so that the clinic can continue to function effectively;

- (5) what plans has her Department put in place with a view to providing the clinic with a male general worker, to assist with heavier duties and provide support to the current general worker?

606. Ms J Cowley to ask the MEC responsible for Health:

Noting that at the Canzibe Hospital, the infrastructure of the hospital buildings, the staff quarters, the water treatment works and the sewage system are alleged to be in a shocking state of disrepair, further noting that huge gum trees on the premises have reportedly caused structural damage and will continue to do so until removed, also noting that the damaged roofs are mostly made of asbestos, further noting that phase one of repairs has allegedly had no impact on any of the abovementioned problems and lastly noting that there is reportedly no connectivity at all at the hospital:

- (1) Whether her Department has put any plans in place with a view to hiring a professional tree felling company to remove all gum trees which are in close proximity to the hospital buildings, as they reportedly pose a huge threat to the buildings; if so, what plans; if not, why;
- (2) what immediate steps her Department envisages it will take with a view to upgrading the (a) staff and nurses accommodation, (b) water treatment works (reportedly exposed and dangerous), (c) sewage works (reportedly exposed and dangerous, broken pumps), (d) workshop and operating theatre as it is alleged that none of the mentioned infrastructure meets Health and Safety standards and this allegedly compromises the wellbeing of employees and patients;
- (3) what immediate steps her Department envisages it will take with a view to ensuring that the (a) fuel storage system and generator housing, (b) washing machines and tumble dryers (allegedly broken since 2010), (c) industrial stoves in main kitchen and the TB kitchen and (d) pharmacy fridge (which is a domestic fridge and is allegedly faulty) are replaced as a matter of urgency so that the hospital can function effectively again, without having to depend on St Barnabas and other institutions a great distance away from the hospital;
- (4) what immediate steps her Department anticipates it will take with a view to ensuring that the hospital is properly equipped with essential items such as (a) a water testing equipment, (b) a vehicle for loading and transporting heavy items to and from the hospital, (c) an isolation door between the TB ward and the general ward, which are reportedly housed in the same building and (d) internet connectivity, as the staff reportedly currently have to drive all the way to Mthatha to capture data in order for the hospital to function effectively?

607. Mr S Magaqa to ask the MEC responsible for Human Settlements:

With reference to an article which appeared in the Daily Dispatch of Thursday, 14 November 2019 titled "Elderly residents fear for their safety in unfinished RDP homes" in Gabazi Village in Qumbu:
